## Community Garden Project 469 Grantham Ave., St. Catharines

We have started to plant with generous contributions from our members. 80% of our produce will be donated back to the community. Now we need you to get involved and help us water our crop and occasionally remove weeds. If you can spare 1/2 hour per week, please contact us so that we can set up a maintenance schedule.

**NOTE:** We will be following Garden Health & Safety Protocols established by Niagara Health. Information will be posted onsite.

## HEALTH & WELLNESS

Your health and safety are important to us. We learned from our weekly Friday Covid calls that our members are safe and look forward to getting together again. Now that Ontario has begun to slowly open again, we will continue to keep in touch with you once per month. If you have not received a call during the months of March, April and May, please let us know, as your phone number on our records may be incorrect.

## RESPECT FOR ALL

Our organization is a multicultural and diverse one. We value and respect each other. There are currently significant global social issues affecting everyone. Let us continue to be a beacon of diversity for Niagara Region.

## EXECUTIVE BOARD NOTICE
